October 7, 2020

Dear Parent/Guardian:

As you may know, our school is participating in a federal program available to select schools as part of the National School Lunch Program called the Community Eligibility Provision (CEP). Our participation means that all students attending *New Brunswick Public Schools* are eligible to receive breakfast and lunch at no charge throughout the current school year. Therefore, families will not need to complete the federal form, "Application for Free or Reduced Price Meals or Free Milk." However, other educational programs funded by the State of New Jersey require that our school collect similar household information for all students.

In order to collect the information for the State, the New Jersey Department of Education has developed a Household Information Survey. Please take a moment to complete this form <https://forms.gle/tQehm4QvFyBq96K48> and submit it electronically. Your participation is essential in order for us to provide the Department of Education with the information it needs to ensure our school will continue to receive critical state funding.

The surveys must be received no later than October 23rd. They should be returned as early as possible. Additional information and surveys are available using the following link: <http://www.state.nj.us/education/finance/cep/>.

If you need assistance, please contact *Barbi Siegel* 732-745-5300 x4061.

Thank you in advance for your cooperation in this important matter.

Sincerely,

Jeremiah Clifford  
School Principal
