May 12, 2020

Dear New Brunswick High School Seniors & Parents,

On May 8th the NJ Department of Education [released guidance](#) that all school districts are to hold virtual graduation ceremonies and related celebratory activities to honor this year's graduating class while ensuring the health and safety of the school community during the COVID-19 emergency. Furthermore, the NJ Office of the Attorney General [released specific guidance](#), Administrative Order No. 2020-04, in the best interest of the health and safety of the public, in-person ceremonies, including graduations, that has more than 10 people should be canceled or postponed until these restrictions are lifted.

As a follow up to Dr. Johnson's [May 5th correspondence](#), we are working on safe ways to honor our Class of 2020 to ensure our graduates and their families are still able to showcase and celebrate their accomplishments.

Therefore, our school is moving forward with streaming a virtual Class of 2020 Graduation Ceremony on Monday, June 22nd via our district's Youtube and Facebook platforms. Additional information will be shared with students and their families in the coming weeks. As previously shared, we are creating a webpage within the high school website that will honor all seniors and include information pertaining to all plans for our Class of 2020.

Thank you,

*Ken Redler*
